

This is Customs-Trade Partnership Against Terrorism program. Customs Clearance International, Inc is a proud member of the C-TPAT and we strongly encourage all of our clients to become members. The program calls for security checks in your transportation chain. Customs offers certain benefits to importers that are members of C-TPAT. If you would like to find out more information about the program please call Bill Wratschko at 310-322-3228.
